JOOLA COURT is a pickleball court that provides mobility solutions for permanent, seasonal, and temporary courts needs without sacrificing a professional playing experience. Our Ready-to-Play tiles convert virtually any flat space with a hard surface into a high-quality, durable, playable pickleball court. Every **JOOLA COURT** features a professional-grade surface that exceeds the industry and tournament standards that all pickleball enthusiasts and professional athletes love!

About

BY PICKLEROLL

JOOLA Court brings together two industry leaders, JOOLA and Pickleroll, to provide a ground-breaking product focused on revolutionizing the playing experience, one court at a time. JOOLA Court was created with every pickleball player in mind. Whether you are a beginner or play on a professional level, we believe in the integrity of the sport and that every court should have a tournament-quality, professional surface. Safety, consistency, and court performance matter!

About

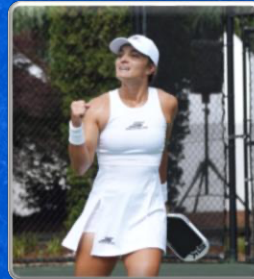

BY PICKLEROLL

"The first time I played on a Pickleroll, I was amazed how it played exactly like a regular surfaced court. The ball bounced the same and the texture of the court was identical. The fact that it's portable makes it even more unique. I love that no matter where I move to, I can take my court with me. I would highly recommend one!"

Allyce Jones, PPA Touring Pro

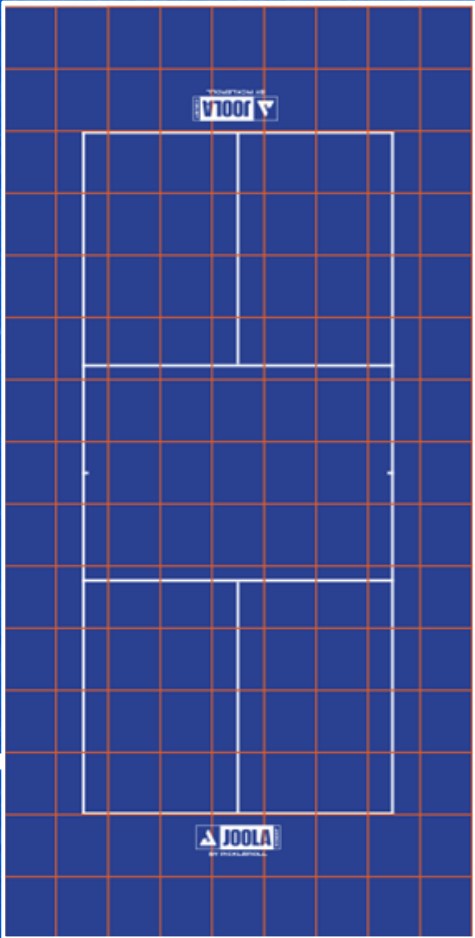

"It feels just like a regular court, just like the PPA. We put a lot of spin on the ball, and the surface responded really well to it. We were on a roll on the PickleRoll!"

Catherine Parenteau, PPA Touring Pro

Specifications

BY PICKLEROLL

What is the difference between JOOLA Court and a traditional court surface?

JOOLA Court is designed have the exact playing characteristics of a traditional hardcourt pickleball playing surface.

What type of surface is best for JOOLA Court?

JOOLA Court can be used on any solid substrate – concrete and asphalt are ideal, but it can also be used on a wood subfloor. JOOLA Court cannot be used on a soft (e.g., grass or clay) surface without the Pickleroll Platform.

How long does it take to install?

JOOLA Court takes about 10 man hours to install properly (4 people, 2.5 hours)

What is the expected lifespan of a court?

JOOLA Court's expected lifespan is 3-4 years of regular daily play with proper maintenance.

Is JOOLA Court available in custom colors?

Custom color options will be available on a pre-order basis beginning in January, 2027.

What if I need a larger court?

Additional tiles are available on a custom / made to order basis.
